Our Story

Every child deserves a safe place and someone who cares. Since 1884, Children's Service Society of Utah has been dedicated to ensuring children grow up in loving, nurturing environments by empowering families, parents, and caregivers. We create stability for children, nurture development, and support parents through our five programs.

The Adoption program matches children with caring families, ensuring ethical, lifelong connections. Building Blocks provides affordable, high-quality childcare to support early childhood development. Child Care Resource Agency--Metro provides childcare referrals for families, while training licensed providers. GRANDfamilies supports grandparents and relatives who step in to raise family member's children. Join us as we create brighter futures - together, we can transform lives and rewrite futures.

The Event

Children's Service Society of Utah is excited to invite you to our CSS 2026 Fun Run! Join us for a morning of family-friendly fun featuring a 5K, 1-mile run, kids' fun dash, music, and activities for all ages. Whether you're walking, jogging, or running, this event is about coming together as a community to support children, caregivers, and families.
